When it's up and working, can this go on the sharepoint site?

Hi Lisa,

I implemented Michele's changes to the Class I checklist and we'll start to use it for the Alon review.

I am attaching a final, clean Class II checklist for you to have in your records.

Hi Shari,

Here are our comments. No need to send a revised document back to us. I assume one of your emails was supposed to the Class II checklist? We received the Class I checklist from you twice.

Also, note that when we are closer to sending the documents to Alon, we will need to remove the footer – deliberative, do not cite, etc.

Thanks and have a great weekend!

Lisa

Attached is an updated checklist that I think will work for the Class I reviews. It retains the general information, with the edits we discussed on the phone, and has tables for 40 CFR 146.4(a),(b)(2 and 3), and (c).

Please let me know if you would like any additional changes; if not, we'll get started using this to review the Alon files (which Anna successfully retrieved!)

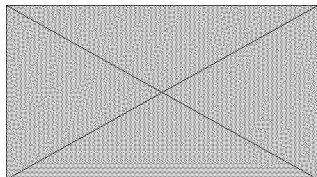

Feel free to call if you have questions this afternoon – I ran home early but can chat if you want to.

If not, have a great weekend.
